

# KNOW YOUR BOW

new rules & essential steps for pernambuco sustainability

## Here's how to do your part in 5 simple steps:

- Step 1** Get a ***Document of Bow Materials*** for your bow from your bow expert.
- Step 2** Maintain existing bows to conserve resources and protect your investment.
- Step 3** Help reduce global demand for pernambuco by purchasing reusable, non-pernambuco bows for beginner students, schools and rentals.
- Step 4** Support conservation organizations that are replanting Pernambuco.
- Step 5** Educate yourself on new regulations before traveling internationally.
